Anna Magnani

For Federico Fellini, she was not a roman citizen:  
she *was* rome. an ancestral, pagan divinity in our time.

Tennessee Williams wrote *The Rose Tatoo* specifically for her.  
A role for which she won an Academy Award for Best Actress.

Roberto Rossellini made her an international wonder with *Rome Open City*,  
considered the milestone of Italian Neorealism.

Already six years before she won the Oscar, *Life* magazine called her  
"the most impressive actress since Garbo"
